Letter of Support of Support for Ride-2-Remember

Dear Vivek,

Please find enclosed a letter of support from the Canadian Airborne Forces Association (CAFA) to Vivek Khindria with regards to the Ride-2-Remember that he will be participating in to raise funds for Canadian Veteran's and their families.

There is no doubt that cycling 765 kilometres over seven days from Dundas, Ontario, to the summit of Mount Royal in Montreal is no easy task. Your personal drive and motivation coupled with your known tenacity and perseverance will ensure this challenge is completed. In doing so you will know the positive impact you have made in supporting veterans and their families.

The Canadian Airborne Forces Association is deeply grateful for your efforts. Specifically, as the funds raised will support veterans and their families whom we also represent and support. We have made a donation to reflect our support and wish you all the best in completing the ride.

Scott Moody, CO
